

## Introduction:

You have entered the world of Spit Wad Willy. Willy lives as a hero in his own imagination. Instead of paying attention in school he constantly dreams of doing heroic battle with his spit wad shooter in hand. Magically he defies all odds with his incredible agility to jump, duck and dodge all obstacles sent his way by the evil villains he creates. Willy's three adventures range from silly to psychedelic so prepare for battle! Can you defeat all that is evil and become the greatest mortal to spew saliva?

## Game Play:

The object of the game is to destroy all spheres on the screen. Power Ups can alter play and give Willy an advantage. **Figure 1** is a summary of all the Power Ups:

Figure 1:

Power Up	Effect	Notes
	Slows action for a few seconds.	
	Adds extra life.	Resets all ability.
	Extra bonus points	
	Willy can now shoot three shots in succession.	
	Temporary shield.	
	Delivers a blow to all objects one the screen.	Great for widespread devastation!
	Snot Shot Super projectile!	Hits objects easier.
	Simply extra points, some worth more than others.	
	Warps you to next level of play.	May miss out on extra points. Resets ability.
